- Dec 17 – March 31** No Forklift Service
- Dec 23 – Jan 1** – Closed for Christmas holiday, reopen Jan 2.

From the Service Department

Enclosed you will find a winter work order form. Please fill the form out completely. The boats are winterized in the order the service department receives the forms. The Marina is not responsible for any damage because of freezing. You can mail, fax or email the form back to us. You can also visit us at <http://www.cedarcreekmarina.com/services/service-request/> to fill out a service request online.

Some other winter recommendations:

- *Remove all soda cans/bottles, imagine the mess when they freeze and break.
- *Now is a good time to have a damaged prop reconditioned. We have prop service available at the Marina.
- *Remove all electronics.
- *A strong recommendation would be to cover your boat with a poly tarp to cut down on dust or in case the boat above you has a problem over the winter.
- *If you are trailering your boat, remember to grease your wheel bearings, check lights, winch cables, tire pressure and lug nuts.
- *Make sure your trailer registration is current.
- ***Leave keys and batteries** in the boat until the marina is finished winterizing the boat.
- *Leave as little gas in the boat for the winter as possible.

Friendly Reminders:

- Please place all work orders and requests through the office.
- You **must** have an appointment to have your boat unloaded or loaded onto your trailer.
- Please remember to wind up your hose when you are finished with it.
- Don't forget to write your name on your checks if you are using a company check to pay your bill.
- If you have any suggestions, stop in, email, or call to let us know.

In Loving Memory

Mary Bea Kahl

2/26/69 - 9/3/17

Mary Bea Kahl passed away peacefully on Sunday, Sept. 3, 2017, at the Delaware Hospice Center in Milford. Along with her husband Marvin, they owned and operated Cedar Creek Marina in Slaughter Beach since 1997.

Mary will be remembered for her love of adventure and life. A few of her passions included horses, boating, fishing and crabbing, and shopping and traveling. Mary was a daughter, wife, mother, grandmother, and friend to so many who will miss her dearly.

I think Mary said it best in one of her old signature lines in her emails:

Life should be a journey to the grave with the intent of arriving safely in an attractive and well-preserved body, but rather to skid in sideways, chocolate in one hand, Martini in the other, body thoroughly used up, totally worn out and screaming "WOO HOO" WHAT A RIDE!!
