Forklift Service**

**Dec. 20 – Jan 3 –CLOSED FOR
CHRISTMAS**

We are excited to start off the 2020 boating season. Before the season begins you will need to get your boat ready to use. This may mean you want your boat on a work rack to do the work yourself, or you may want to request the work be done by the technicians at Cedar Creek Marina. Either way, keep reading for our hours, reminders and more.

Cedar Creek Marina will remain open during the Covid-19 outbreak. What better way to practice “social distancing” than out on the water? Taking a boat ride or going fishing are also great relaxing activities in these stressful times. We have plenty of sinks and hoses to wash your hands, and we have plenty of toilet paper! On a more serious note, if you have any questions or concerns please be sure to call the office at 302-422-2040 so we may address your concerns.

Storage Customers

We would like to take the opportunity to thank each of our returning customers and welcome the new customers to the Marina. We look forward to serving you during the 2020-2021 boating season.

We strive to provide you with courteous, dependable service. The office door is always open for your comments and suggestions on how we can improve your boating season.

Stay informed

- Visit www.CedarCreekMarina.com or [Facebook.com/CedarCreekMarina](https://www.facebook.com/CedarCreekMarina) for news and updates at the Marina
- Check the weather and marine forecast before you go boating: www.NOAA.gov or www.Weather.com
- Visit: www.dnrec.delaware.gov for the latest news, boating and fishing regulations. You may also purchase your fishing license and renew your boat registration on this site.
- You will also find these links and more on our webpage if you click on “Helpful Links” in the top right corner.

Did you know you can receive our newsletter in your inbox now? Sign up on our webpage www.CedarCreekMarina.com, send us an email, or a Facebook message.

Stay Connected with us, Follow us on Facebook.

Service Department

- Please call at least one week before you want your boat dewinterized or go online and fill out our service request form.
- Come down and check out your boat to make sure everything is working and ready before your first launch. Check your boat registration and expiration dates on your flares.
- If you have any issues or need a work order, come to the office. The dock attendant and forklift driver are not responsible for your requests.

We want you to have a safe and enjoyable boating season. Please don't hesitate to call with service questions and requests.

Sales Department

We are a proud dealer of Parker, Robalo, Yamaha Outboards, and Load Rite Trailers. We also have a wide variety of used inventory.

Our inventory is spread out between our two locations, Milford and Seaford. Give us a call or check the webpage to see what we have in stock and verify the boat's location.

Fishing Regulations & Licenses

We no longer sell fishing license in the office. Please purchase your license prior to coming down to go fishing.

Always be aware of the current regulations and limits. Fishing regulation books, rulers and tide charts are available in the office.

Be sure to stop in and get your picture taken or email us your fishing pictures. We love to share your photos on our social media accounts.

Boat Registrations

Sorry, we are unable to accept credit/debit cards for boat registrations per state law. Please bring cash or check.

Two locations for your convenience. Cedar Creek Marina in Milford, Delaware offers dry stack storage, winter storage, service, a full marine store, and new and used boat, motor and trailer sales.

Cedar Creek Marine Center located in Seaford, Delaware offers winter storage, service, full marine store, and new and used boat, motor and trailer sales. The Marine Center is open year-round Tue. – Sat. 9am – 5pm
